**Beryl Boyle** is one of an elite group of 40 Canadian principals who I hope will take full and complete advantage of a new exalted position – Canada's Outstanding Principal 2018. First of all, all winners are joining a cadre of some 430 principals across this great country who have won this award over the past thirteen years and they will have access to this collective body of wisdom and experience. Dozens of other positive events attend this award, all of which will be coming their way.

The award consists of: an Executive Management Training program at the Rotman School of Management, University of Toronto, a gala Dinner, a personalized award, a group picture in a national newspaper, a welcoming dinner, three evening receptions, meals and hotel accommodation, all at no expense to the award winners. The Gala Dinner will be held on Tuesday, 27 February 2018, 6 p.m. The Carlu.

The Learning Partnership is delighted to welcome Beryl Boyle to this distinguished group of educators.

Sincerely

Jon Powell, National Program Manager
