New Gymnasium for Shigawake Port- Daniel School

NEW CARLISLE, QUÉBEC, Monday June 26, 2017 – Eastern Shores School Board is pleased to announce to staff, students, parents, the town of Shigawake-Port-Daniel and the surrounding communities, the allocation of \$2.6 million dollars towards the addition of a gymnasium to Shigawake Port-Daniel School.

A project was submitted in August 2016 under measure 50514, "*Ajout de gymnase*", with the hope of obtaining a gymnasium for Shigawake Port Daniel School. ESSB is extremely pleased that this project was retained by the MEES. This addition of a gymnasium to the school will help SPDS ensure an environment conducive to learning while promoting a healthy lifestyle through physical activity.

We would like to take this opportunity to express our sincere thanks and appreciation to the Ministère de l'Éducation et de l'Enseignement supérieur, Sebastien Proulx, for his continued support of Eastern Shores School Board.
