

New Carlisle and New Richmond High Schools began the 2018-19 school year at new heights !!

Both schools participated in a fun team building exercise at Cime Aventures (Bonaventure, Quebec) as a fun way to launch a year of memories and accomplishments.

May you all move mountains this year !!

Oh, the places you'll go!
You've got brains in your head
You've got feet
in your shoes
YOU CAN STEER YOURSELF
any direction
YOU COOSE
Kid, you'll move mountains
-Dr. Seuss
