Students go beyond accepting their peers to encourage each other's individuality.	Create an environment that fosters inclusivity and combats all sorts of bullying. Consult with ESSB Social Services Officer to best utilize internal and external resources. Targeted anti-bullying club for students with social difficulties.	All students	Our School Survey results and consultation with secondary students. Bullying incidents at BCHS in 2021-2022.	Bullying eliminated at BCHS. Students value inclusivity.	Sporadic violent incidents are dealt with according to the Code of Conduct. Students accept one another but don't necessarily encourage individuality.
Students value the school and Baie-Comeau communities and see themselves as a valuable part of it.	Improve student involvement in the school and learning community.	All students	Students take part in and contribute to the school community and the greater community of Baie-Comeau.	All students contribute to at least one community event and one school event (e.g. decoration for school events, visit to Boisvert CHSLD, garbage collection, school yard sale, student parliament event).	Secondary students are all passively involved in community events (e.g. attendance at the March for women's rights). All students participate in school and community-led events in school.
